09. Investment Principles, **episode 39** — is there a better way to invest than to guess when the market's going up and when it's going down? Bob Farrell gives 10 rules to simplify investing.
<https://www.buzzsprout.com/2369804/episodes/16496722>
08. How can we be connected—but not stuck?, **episode 6** — how can two people have a long-term relationship without one being a controller and the other being controlled by the other?
<https://www.buzzsprout.com/2369804/episodes/15363878>
07. The best day of the week to fire a preacher, **episode 10** — I was asked to leave on a Sunday between Bible study and worship, where I preached immediately after the surprise. Is there a better time to do major surgery?
<https://www.buzzsprout.com/2369804/episodes/15436003>
06. How can we improve and stay the same?, **episode 5** — most people want to continue to improve, and most people resist change. How can both those conditions exist at the same time?
<https://www.buzzsprout.com/2369804/episodes/15299684>
05. Does this man have one wife or two wives?, **episode 32** — when we get ready to select elders and deacons, do dead wives and divorced wives count when we consider a man being “the husband of one wife?”
<https://www.buzzsprout.com/2369804/episodes/16235465>
04. What is wrong with him or us?, **episode 4** — What do we do when we see an individual causing trouble in a family, church, business, or softball team that has been going on for months or years? Do we ask, “What's wrong with him?” or “I wonder why we like it that way?”
<https://www.buzzsprout.com/2369804/episodes/15286716>

03. Who or what is the problem?, **episode 3** — How do you proceed when you see a serious problem in your group (family, church, business, or softball team)? Do you ask, "What is the problem?" and look for a solution. Or, do you ask, "Who is the problem?" and try to change him/her, or do you hope that person will leave?
